

## **Smithville Telephone Company Long Distance Service**

---

Issued November 1, 2020

### **Long Distance Service**

Traditional long distance calling services are provided by Smithville Telephone Company's sister company, Traceroad Communications, Inc. These services are provided under the name Traceroad Long Distance, and are billed on Smithville Telephone's customer statements.

Rates for calls to numbers in the state of Mississippi and to anywhere in the United States are \$0.10 (10 cents) per minute or fraction of a minute. Terms, conditions, and prices for Traceroad Long Distance are at [www.traceroad.com](http://www.traceroad.com).
