

## **Smithville Telephone Company Long Distance Service**

---

Issued September 25, 2024

### **Long Distance Service**

Long distance calling services are provided jointly with Smithville Telephone Company's sister company, Traceroad Communications, Inc. These services are billed on Smithville Telephone's customer statements.

Calls to any location in Mississippi or any of the 48 continental United States plus the District of Columbia are included with basic telephone service. Calls to other destinations are billed per minute.

Terms, conditions, and prices for Traceroad Long Distance are at [www.traceroad.com](http://www.traceroad.com).

### **Questions?**

Use the contact links at [www.traceroad.net](http://www.traceroad.net) if you have questions.
