

Smithville Telephone Company Services and Rates

Issued September 25, 2024

Voice Telephone Service Rates

Rates, terms and conditions for both residence and business telephone services are provided on a deregulated basis. Residential service is \$37.60 including taxes and single line business is \$49.60 including taxes.

Notice of material changes will be given as specified in the General Terms of Service located on this website.

Broadband Rates

Broadband service descriptions and rates are shown at www.traceroad.net.

Business Data Services Rates

Business Data Services terms, rates and conditions are shown at www.traceroad.net.

Long Distance Rates

Long distance calling services are provided jointly with Smithville Telephone Company's sister company, Traceroad Communications, Inc. These services are billed on Smithville Telephone's customer statements.

Calls to any location in Mississippi or any of the 48 continental United States plus the District of Columbia are included at no added charge with basic telephone service. Calls to other destinations are billed per minute.

Terms, conditions, and prices for Traceroad Long Distance are at www.traceroad.com.
