

Smithville Telephone Company Services and Rates

Issued November 1, 2020

Voice Telephone Service Rates

Rates, terms and conditions for both residence and business telephone services are specified in the General Subscriber Services Tariff for Smithville Telephone Company, TC-003-0027-00, in effect as of October 31, 2020.

Notice of material changes to any rate, term or condition of a service in use by a telephone service subscriber will be given as specified in the General Terms of Service located on this website.

Broadband Rates

Broadband service descriptions and rates are shown at www.traceroad.net.

Business Data Services Rates

Business Data Services terms, rates and conditions are shown at www.traceroad.net.

Long Distance Rates

Traditional long distance calling services are provided by Smithville Telephone Company's sister company, Traceroad Communications, Inc. These services are provided under the name Traceroad Long Distance, and are billed on Smithville Telephone's customer statements.

Rates for calls to numbers in the state of Mississippi and to anywhere in the United States are \$0.10 (10 cents) per minute or fraction of a minute. Terms, conditions, and prices for Traceroad Long Distance are at www.traceroad.com.
